ArcGIS Online

The image shows a screenshot of the ArcGIS Online web application interface. The main window displays a map of a residential area with a search bar and various toolbars. A 'Share' dialog box is open, allowing users to choose who can view the map. The dialog includes options for 'Everyone (public)' and 'Members of these groups', with a list of groups including 'ArcGIS in Nederland', 'Esri Nederland', 'GISConferentie ESRI Nederland', and 'vissingen'. Below the sharing options, there are fields for 'Link to this map' (http://bit.ly/n3fCy6) and 'Embed this map' (Embed in Website, Make a Web Application). A 'Facebook Share' dialog is also visible, showing options to 'Embed in Website' and 'Copy and paste HTML to embed in website'. The HTML code for embedding is provided, along with options for size (Small, Medium, Large, Custom) and display settings (Show zoom control, Show scale bar).
